

Australian Travel and Tourism Law

4th Edition

Anthony Cordato

Just Published

Australian Travel & Tourism Law provides a clear, readable introduction to the law relating to the travel and tourism industry. It is designed both as a text for students of travel, tourism and hospitality and as a useful resource for travel agents, tour operators, carriers and tourism industry advisers.

The book draws together the many fields of law that touch upon travel and tourism. Topics covered include: advertising, booking conditions, air travel, travel insurance, business practices, licensing and compensation for loss of enjoyment. There are also numerous case studies and practical examples.

Important Features

- The book explains legal issues in straightforward language which is easy for non-lawyers to understand.
- The new format in this edition highlights learning objectives and provides case summaries and practice questions to reinforce the reader's practical understanding of the key issues and legal principles.

About the Author

Anthony Cordato has held lecturing positions at the University of Technology and the University of Sydney and is currently the Principal of Cordato Partners. He was also Chairman of the Travel, Tourism & Hospitality Law Committee for the International Bar Association from 1995-1999.
